

IQS NANOPTIQS

LIGHT+BUILDING EXHIBIT

Frankfurt am Main, October 2-6, 2022

VISIT US AND SEE:

- Working samples showcasing our optics capability.
- IQ Linear – Linear optics now also available in thin films, still fully customizable.
- IQ System – the latest off the shelf development allowing minimalistic design with precise light management.

YOU WILL FIND US HERE

NANOPTIQS
Hall 8, Stand C41
